

Administrative and Community Services Meeting

5-24-2021

6:30pm

Meeting was called to order by Elizabeth Hellrung at 6:30pm.

In attendance were Elizabeth Hellrung, Chair, Dan Dawson, Debbie Knoll, and Sam Italiano

Also in attendance was Mayor Dave Nonn.

The group discussed the current liquor license types and number available.

The group had discussion regarding the Class E licenses and the current status of there being a maximum available license of 13 licenses in the City. Currently, all 13 are accounted for and there are none available.

The group unanimously came to the conclusion that it is likely in the city's best interest to remove the limit on Class E liquor licenses. A recommendation will be made to the City Council to proceed with removing the limit.

Motion made by Sam Italiano to adjourn

Seconded by Debbie Knoll

Unanimous approval
